Shinsei Bank to Become the Largest ATM Network in Tokyo Metro

Tokyo (Wednesday, March 1, 2006) – Shinsei Bank, Limited (“Shinsei Bank”) today announced that it has installed two Shinsei Bank ATMs at Monzen-nakacho, Gokokuji, and Nishi-kasai stations respectively; six ATMs in total as of March 1. Shinsei Bank has completed the second stage plan of installing ATMs, launched last December, at major Tokyo Metro stations, reaching a total of 55 ATMs at 30 stations. These ATMs represent the largest ATM network in Tokyo Metro.

Shinsei Bank provides ATM services 365 days a year during station business hours, from the first to the last train. Shinsei *PowerFlex* cash cards can be used at these ATMs free of charge.

Shinsei Bank has been installing additional ATMs, offering 24-hour free ATM service and other services to the maximum advantage for customers using its bank accounts. The Bank will continue to expand its ATM network at highly convenient locations including railway stations, commercial complexes and airports.

With the brand concept “Color your life,” Shinsei Bank aims to color and enrich customers’ lives by offering convenience and highly value-added products and services to meet customers’ needs.
