Notice Regarding Revision to Dividend Forecasts Following the Introduction of Interim Dividends

Tokyo (July 31, 2026) --- SBI Shinsei Bank, Limited (Head Office: Tokyo; President and CEO: Katsuya Kawashima; hereinafter, “the Bank”) hereby announces the following revisions to its dividend forecasts announced on May 1, 2026.

1. Introduction of Interim Dividends

In accordance with its Dividend Policy, the Bank seeks to increase dividends per share through profit growth. Since the Bank’s relisting last year, the number of shareholders has increased significantly. As part of its efforts to enhance shareholder returns while maintaining financial soundness and retaining sufficient resources for growth investments, the Bank has decided to pay dividends twice a year, comprising an interim dividend and a year-end dividend, beginning with the fiscal year ending March 31, 2027. The Bank’s Articles of Incorporation provide that, by resolution of the Board of Directors, the Bank may pay an interim dividend to shareholders of record on September 30 of each year.

2. Dividend Forecast

Following the introduction of an interim dividend, the Bank has revised its interim dividend forecast for the fiscal year ending March 31, 2027, announced on May 1, 2026, to 10 yen per share.

The Bank’s financial performance remained solid in the first quarter, and the Bank expects continued steady growth. Based on the Bank’s performance to date, the Bank aims to pay at least 42 yen per share in annual dividends. The Bank paid an annual dividend of 42 yen per share for the previous fiscal year. The Bank will determine the specific year-end dividend per share, taking into account future business performance, its capital adequacy and other relevant factors. Accordingly, the Bank has revised its previously announced annual dividend forecast of 42 yen per share, with both the year-end and annual dividend forecasts now stated as “undetermined.”

	Annual Dividend per Share (Yen)		
	Second quarter-end	Fiscal year-end	Total
Previous forecasts (announced May 1, 2026)			42.00
Revised forecasts	10.00	Undetermined	Undetermined (at least 42.00)
(Reference) Actual results for the previous fiscal year (Fiscal year ended March 31, 2026)		42.00	42.00

Notes:
1. The interim dividend will be paid to shareholders of record as of September 30, 2026. The dividend per share and payment date will be determined at a meeting of the Board of Directors scheduled for November 2026.
2. The year-end dividend per share and payment date will be determined by the Board of Directors in connection with the Bank’s full-year financial results.

End
